## Q&A

### **Will the ADTRAN Express XR/XRT/3000 support third party security cards with an Ascend router?**

---

#### **Q:**

Will the ADTRAN Express XR/XRT/3000 support third party security cards with an Ascend router?

**A:** Yes. However, you will be limited to V.120 protocol. Currently, 3rd party security with PPP protocol is only supported with Shiva routers and Security Dynamics token cards.
