

Q3 2015

**End of Sale Notice and
End of Life Announcement
for all NetVanta UC Server product lines part numbers including
BAS, BCS, ECS, and UCS categories of parts**

ADTRAN Inc. announces the End of Sale and End of Life dates for the NetVanta UC Server product line, including all sub categories of products under Business Application Server (BAS), Business Communication Server (BCS), Enterprise Communication Server (ECS), and Unified Communication Server (UCS) product lines and their related Maintenance and Install services. The last date to order the affected products is December 31st, 2015, except for the ProCare 3 year maintenance contracts, for which the last date is September 30th, 2015.

Customers will continue to receive support from ADTRAN Technical Support until the last date of their maintenance contracts or applicable warranty, but no later than December 31st, 2018. For the UC 420E hardware server platform, the last supported date will be the end of warranty period. During this support period, the software revisions for UC server will be limited to bug fixes only. After the End of Sale date for new licenses and/or parts, but before End of Life date, customers can still request new maintenance contracts.
