## **Q&A**

Can I set a TSU IQ, IQ+, DSU IQ, IQ Probe or IQ710 to factory default settings?

**Q:** Can I set a TSU IQ, IQ+, DSU IQ, IQ Probe or IQ710 to factory default settings?

**A:** Yes. To factory default a TSU IQ, IQ+, DSU IQ, IQ Probe or IQ710 simply press the quick key (#) while powering the unit on. After the unit has completed its initialization, it will display an exclamation point next to the IQ listing on the LCD display as an indication of a successful factory default.
